Dear Alain,

Thank you very much for your letter, and please accept my apologies for the delay in responding to you. We love hearing from individuals who are inspired by the possibilities of contributing to the spectacle and design of the 2010 Ceremonies. We are also impressed by your company's portfolio and relationship with Parente Fireworks, given their previous experience with the Turin Winter Games in 2006.

At this time in our planning our energies are significantly directed towards developing the plans and identifying the creative teams for the Olympic and Paralympic Ceremonies, Victory Ceremonies, Team Welcome Ceremonies and Cultural Olympiad. Personnel responsible for Ceremonies Executive Production, Artistic Direction and Design will be identified in the coming months. Once our creative concept is developed, we will proceed with procuring the supplies and design items we will need.

When we are ready to begin accepting submissions, we will post further information on our website.. We encourage you to check [www.vancouver2010.com](http://www.vancouver2010.com) on a regular basis.

Sincerely,  
Marti K.

Marti Kulich, Program Director, Culture and Ceremonies
