Dear Alain,

On behalf of Parente A. &C. snc, I would like to extend our honest appreciation to you for your work as the Production Manager for Kuwait's 50<sup>th</sup> Constitution Anniversary Guinness Record show held on November 10<sup>th</sup>, 2012.

With the outstanding efforts of the fireworks crews in Kuwait for 25 days under your supervision, we managed to produce a gigantic show in exceptionally short preparation time. We recognize that the quality of the onsite pre-production planning for the 80 crew members is a result of your continuous efforts before, during and after the mega production which was complete in less than 30 days.

We also acknowledge your outstanding efforts to release the 30+ containers of equipment being temporary imported to Kuwait for the production of this Guinness World Record fireworks show. Your determination to succeed in accordance with Kuwait's unfamiliar regulations was the perfect drive needed to achieve the expected results.

The largest fireworks show ever produced on the planet was therefore an experience which we will share with you and your crew for the rest of our lives.

Again, special thanks to you and your crew members: Mr. Daniel Viau;  
Mr. Nicolas Charron;  
Mr. Pierre Cassin;  
Mr. Karel Picard-Carbonneau;  
Mr. Maxime Lessard-Giroux;  
Mr. Jérôme Bourgault;

which made this dazzling experience possible!

Kind regards,

**ANTONIO PARENTE**
